

Neighborhood and Community Engagement Commission

Policy and Procedure Manual

August 2013

This Policy and Procedure manual is designed to support the proposed NCEC bylaws dated February 26, 2013. Specifically, this manual was developed to give specificity to the question of “How” things get done.

Vision

The Vision for the Neighborhood and Community Engagement Commission is a City and community engagement process that increases inclusiveness, empowerment and greater opportunities for participation by all community members of the City of Minneapolis.

Purpose/Mission

The NCEC in its advisory capacity shall serve to engage and advocate for the neighborhoods and community in their deliberations with the City Departments, City Council and Mayor, shall deliberate and make recommendations to the NCR Department, City Council and Mayor around issues specific to the NCEC scope of authority and responsibility as defined by the City Council and approved by the Mayor in Resolution No. 2011R-668, adopted December 16, 2011.

Attendance Requirements

After two unexcused absences by a member from regular Commission meetings in a year (July – June) by a member, the chair through the NCR Department, shall notify that member that a third unexcused absence may result in termination of membership. After a third unexcused absence the appointing authority or selecting district shall be notified with a recommendation from the Commission that the membership should be terminated.

Committees or Task Forces may make recommendations to the full Commission on removal of committee or task force members due to non-attendance. Commissioners volunteering to serve on task forces or sub-committees should consider the additional time requirements and absence commitments/requirements being agreed to upon volunteering and not make decisions about participation based solely on subject matter.

Alternates

This section is left blank pending a future decision by the City Council on a policy for alternates on boards and commissions.

Recommendation for Removal

As directed by the NCEC, the executive committee, in consultation with the City Attorney, shall make the determination as to the recommendation for removal of a commissioner in the event that the commissioner is found to have violated NCEC bylaws, policies or procedures when it reflects negatively on the NCEC, the City or the neighborhoods and communities represented on the commission. The appointing or electing authority shall use their established process for appointing/electing a replacement.

Leave of Absence

A commissioner may request a leave of absence for up to ninety (90) days. The request shall be related to a personal or medical concern that requires the commissioner's attention in order to return to business. Each commissioner may

request and be granted only one extended leave of absence per year (July – June). In support of the spirit of the Americans with Disabilities Act and the Family Medical Leave Act, due consideration will be given for absences due to qualifying concerns. The circumstances surrounding leave of absence requests will be handled with complete privacy and discretion.

Requesting a Leave of Absence

A commissioner shall submit a request for a leave of absence to the NCEC Chair or the Chair's designee.

Membership in Good Standing Process

In the event of a complaint against any member, the NCEC shall appoint a three member grievance committee to investigate the complaint and forward a recommendation to the NCEC on potential actions up to and including a recommendation for removal from the Commission.

Voting: Executive Committee/Officers

Counting votes

Paper ballots will be collected and tabulated by the assigned NCR staff person. Once the ballots are counted, and assuming there are no 'tie votes', the NCR staff will announce the results of the vote. Officers shall assume the responsibilities of their respective positions immediately following the meeting at which the election occurs

Tie Votes

In the case of a tie vote, another paper ballot shall be distributed and voting for shall commence. The assigned NCR staff person shall collect and tabulate the ballots, after which the NCR staff will announce the results.

Election Results

The results of all elections shall be recorded and the records maintained in the files of the NCEC with copies to be kept and archived by the NCR department.

Sole Candidate for Office

In the event there is only one person running for an office, the paper ballot process can be suspended by motion, with the requirement of a 'second'. The motion should state the reason for the motion and the recommended outcome.

Example: "I make a motion to suspend the paper balloting process as outlined in the NCEC policies and recommend that we proceed with a voice vote on the candidate being presented."

Voice confirmation will be by a majority affirmation of the commissioners present.

Executive Committee

The executive committee shall meet monthly to prepare and set the agenda for the regularly scheduled NCEC monthly meetings.

The executive committee members shall meet at a reasonable time near the end of their term to compile information that is to be placed in the NCEC annual report. The executive committee, with assistance and support of the NCR, shall lead the production of an annual report. Copies of the annual report shall be delivered to each officially recognized neighborhood organization, and will be posted online.

Communication

The NCEC Chair or the Chair's designee serves as the official spokesperson for the NCEC consistent with adopted positions of the Commission and the Commission's bylaws.

In the spirit of the Minnesota Open Meeting Law, Commissioners are encouraged to have policy conversations in public forums. For that reason, use of group or serial email to discuss business before the NCEC is discouraged.

The use of Google Groups (an e-mail tool) has been approved for use as a viable communications tool for the NCEC members to post comments on issues, and is considered a public forum for all residents to view.

Email can be used to send information to members to prepare them for future deliberations or notifications of issues.
